

REQUEST FOR PROPOSALS (RFP) NUMBER 2026-04

FIRE & DURESS ALARM INSTALLATION AND

MONITORING

FOR GUADALUPE COUNTY, NEW MEXICO

The County of Guadalupe is seeking proposals for the installation, service, and monitoring of the County's fire, and duress systems in accordance with Federal, State, and Local codes and standards. Guadalupe County expects to execute a Professional Service Agreement (PSA) and issue a Purchase Order by **22 January** 2026 with project completion by May 15, 2026.

The County will only be receiving proposals electronically submitted through the Guadalupe County Bonfire Electronic Portal <https://guadco.bonfirehub.com>. It is recommended that Respondents allow sufficient time of at least one (1) day before the RFP closing date and time to finalize submissions and to begin the upload process. It is the Respondent's sole responsibility to ensure that the Proposal is received by the Closing Date and Time, detailed in section 10.

Guadalupe County will enter into a negotiated contract with the successful offerer for the County alarm system Scope of Work (SOW) described below. The chosen consultant will conduct the identified activities in accordance with all applicable state and federal regulations and will adhere to approved project phases, guidance and activities.
